

C-MGM/MGM 15-pin HD Micro Cable

| VGA/UXGA - 15-pin HD

Kramer's C-MGM/MGM Micro computer graphics video cable is a high-performance cable with molded 15-pin HD connectors on both ends. This micro coax cable is thin and flexible and is an excellent option for connecting computer graphics video signals between computers or video scalars and plasma, LCD or other popular display technologies

FEATURES

Quality Construction - Constructed using micro coax conductors, with an outer diameter of 5.4mm (0.212in). The 15-pin HD connectors are specially designed with a small profile to fit any high-density installation and with all 15 pins passing through the cable

Multiple Applications - Ideal for video presentations, home theater and any installation in tight spaces. Use these cables with our table solutions for a convenient and efficient installation

All Pins Connected for DDC2 and EDID Support

Varied Selection of Lengths - Available in versions of 1 to 35ft (0.3 to 10.7m)
